

Administrative Procedure 551

TRANSPORTATION BOUNDARIES

Administrative Directive

In order to facilitate an efficient busing system, student transportation areas shall be established co-terminus with the school attendance areas, established by the Board.

Procedures

1. The Division shall provide for the transportation, on a designated bus, of an eligible student from the residence of the parents, to and from the site of the school which the Division has directed the student to attend.
2. If a parent or guardian of a student wishes to enroll the student in a division school outside of the attendance area in which the student resides it may be done only in accordance with the provisions in Administrative Procedure 550 – Transportation of Students.
