Please answer the following questions:

1. List any part time jobs, financial aid, or other sources of income you can use to help pay the rent every month.
2. Why do some property owners want to be called "rental housing providers" instead of landlords?

3. How would you find a rental property and what steps are required before and after you move in?

4. Give the name of the post secondary program you have or will be applying for and the name of the institution.
